

Thank you for your interest in placing a plaque on the pioneer wall.

It has been decided that to keep the wall attractive that the plaques will be limited to one size:

300mm x 150mm

As the wall is meant to reflect a historical theme, we do not wish it to look like a memorial. Therefore dates of births, deaths etc are to be excluded.

The samples shown will give you some idea on the type of information that can be included.

Each plaque will be struck in long lasting bronze and prices will depend on the size and number of words on the description. To give you some indication of cost at July 2023 estimated prices start at \$480.00 for the first 8 lines, extra lines are charged at \$38.00 per line, plus freight and 10% GST.

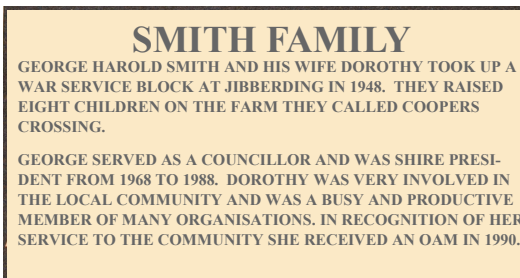

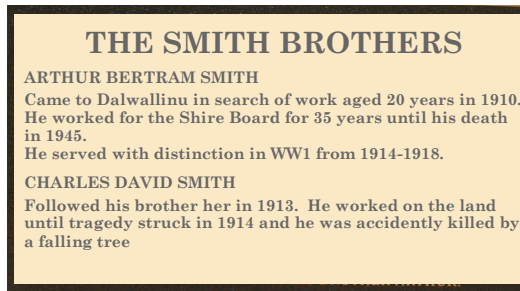

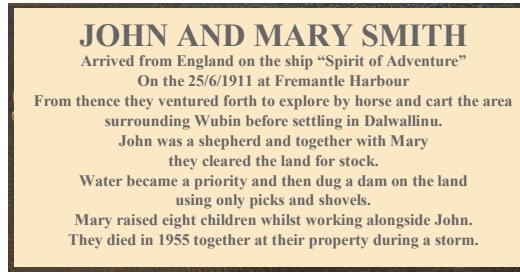

Each plaque will be priced individually and you will be asked to approve the wording and pay for it prior to manufacture.

Please complete the application form and fill out the inscription as you would like it to appear, and return it to us.

As soon as we have a proof ready we will forward it to you for approval together with an invoice for payment.

If you have any further questions please contact the Shire on 08 9661 0500.
