Small heaps (up to one cubic metre) of garden refuse may be burnt on the ground between 6.00pm and 11.00pm BUT ONLY AFTER a 5 metre wide fire break has been cleared around the fire and at least one able bodied person is in attendance at all times. PROHIBITED BURNING SEASON

No garden rubbish or refuse is permitted to be burnt in an open fire during the prohibited burning season. It may only be burnt in an approved incinerator.

Further advice on how to protect your home and when and how to burn off is available from the Shire Office or your local Bush Fire Control Officer. If you have any questions contact them. The safety of your whole community is at stake.

If it is considered impractical for any reason to clear or remove flammable material from the land in Rural areas as required by this Notice, you may apply to the Council or its Authorised Officer, no later than 15 September for permission to provide firebreaks in alternative positions or take alternative action to abate the fire hazards on the land. If permission is not granted by Council or its duly Authorised Officer, you are to comply with the requirements of this Notice.
