INTRODUCTION

Purpose of Delegating Authority

The aim of delegated authority is to assist with improving the time taken to make decisions within the constraints allowed by the relevant legislation. This is consistent with the Shire's commitment to a strong customer service focus. The register details the related document(s) where the power to delegate is derived from, including legislation and policies of the Council. This enables easier cross-referencing. This delegated authority register will be reviewed in accordance with the **Local Government Act 1995** (the Act) on an annual basis. The coordination of the review will be performed by the Chief Executive Officer.

Legislation

The **Local Government Act 1995** allows for a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act, except those listed in section 5.43. All delegations made by the Council must be by absolute decision [section 5.42(1)].

Associated legislation

Legislation other than the Act, its regulations and the local government's local laws created under the Act where delegations or authorisations may occur are as follows:

- Planning and Development Act 2005 including regulations and adopted policies
- Dog Act 1976 and regulations
- Bush Fires Act 1954 regulations and local laws created under that Act)
- Health Act 1911 (as amended) regulations and local law created under that Act
- Freedom of Information Act 1992
- Land Administration Act 1997 as amended and regulations
- Litter Act 1979 and regulations
- Local Government (Miscellaneous Provision) Act 1960 as amended
- Caravan Parks and Camping Grounds Act 1995
- Control of Vehicles (Off-Road Areas) Act 1978 and regulations
- Strata Titles Act 1985
- Food Act 2008
- Environmental Protection Act 2005
- Building Act 2011

Note - this is not an exhaustive list

Delegation by the Chief Executive Officer

The Act allows for the Chief Executive Officer to delegate any of the powers to another employee [Section 5.44 (1)]. This must be done in writing [Section 5.44 (2)]. The Act allows for the Chief Executive Officer to place conditions on any delegations if desired [Section 5.44 (4)].

A register of delegations relevant to the Chief Executive Officer and other employees is to be kept and reviewed at least once every financial year [Section 5.46 (1) and (2)]. If a person is exercising a power or duty that they have been delegated, the Act requires that records be kept whenever the delegated authority is used [Section 5.46 (3)].

The record is to contain the following information:

- how the person exercised the power or discharged the duty;
- when the person exercised the power or discharged the duty; and
- the persons or classes of persons, other than Council or committee members or employees of the local government, directly affected by the exercise of the power of the discharge of the duty [**Local Government (Administration) Regulations 1996, regulation 19**].
- Service unit's responsible for a work process are to ensure that data is captured and recorded managed in accordance with all legislation, as well as preparing reports to Council where required under a specific delegation. This includes recording of delegated authority of the Chief Executive Officer where applicable, once approved through a signed authority by the Chief Executive Officer.
- A person to whom a power is delegated under the Act is considered to be a 'designated employee' under S.5.74(b) of the Act and is required to complete a primary and annual return each year.
- There is no power for a person other than the Chief Executive Officer to delegate a power [Section 5.44 (1)].

Acting through another person

Local Government Act 1995 - section 5.45 (2)

Nothing in this Division (Division 4 - Local Government Employees) is to be read as preventing:

- (a) a local government from performing any of its functions by acting through a person other than the CEO; or
- (b) a CEO from performing any of his or her functions by acting through another person.

The key difference between a delegation and "acting through" is that a delegated exercises the delegated decision making function in his or her own right. The principal issue is that where a person has no discretion in carrying out a function, then that function may be undertaken through the "acting through" concept. Alternatively, where the decision allows for discretion on the part of the decision maker, then that function needs to be delegated for another person to have that authority.

The difference between a delegated authority to exercise discretion on behalf of the Shire and acting through another person to undertake a function on behalf of the Shire where not discretion exists is reinforced by *Section 56* of the **Interpretation Act 1984** which states:

56. "May" imports a discretion, "shall" is imperative
- (1) Where in a written law the word "may" is used in conferring a power, such word shall be interpreted to imply that the power so conferred may be exercised or not, at discretion.
 - (2) Where in a written law the word "shall" is used in conferring a function, such word shall be interpreted to mean that the function so conferred must be performed.
