#### **Officer Comment**

The proposed amendment has been determined as being a 'standard' amendment for the following reasons as it is:

- (a) an amendment relating to a zone or reserve that is consistent with the objectives identified in the scheme for that zone or reserve;
- (b) an amendment that would have minimal impact on land in the scheme area that is not the subject of the amendment;
- (c) an amendment that does not result in any significant environmental, social, economic or governance impacts on land in the scheme area;
- (d) not a complex or basic amendment.

In consideration of a standard amendment to the Scheme, Council must resolve to:

- (a) proceed to adopt the proposed amendment to the local planning scheme without modification;  
or
- (b) proceed to adopt the proposed amendment to the local planning scheme with modifications;  
or
- (c) not proceed to adopt the proposed amendment to the local planning scheme.

If Council resolves to adopt the proposed amendment to the Scheme, the amendment must be referred to the Environmental Protection Authority (EPA) and before undertaking to advertise the proposed amendment.

### **Officer Recommendation**

That Council resolve:

1. Pursuant to Section 75 of the *Planning and Development Act 2005* and Part 5 of the *Planning and Development (Local Planning Scheme) Regulations 2015*, support Amendment N° 7 to the *Shire of Dalwallinu Local Planning Scheme N°2*, to:  
  
Amend the scheme map to rezone the following property from 'Reserve –Public Use' to 'Townsite':
  - Lot 95 Arthur Street, Wubin as depicted on the Scheme Amendment map.
2. Authorise the Shire President and Chief Executive Officer to sign and affix the Common Seal to the documents associated with Amendment N° 8 to the *Shire of Dalwallinu Local Planning Scheme N°2*;
3. Determine that the amendment is standard under Regulation 35(2) of the *Planning and Development (Local Planning Schemes) Regulations 2015* for the following reason(s):
  - (a) *the amendment would have minimal impact on land in the scheme area that is not the subject of the amendment;*
  - (b) *the amendment that does not result in any significant environmental, social, economic or governance impacts on land in the scheme area; and*
  - (c) *the amendment is not a complex or basic amendment.*
4. Pursuant to Part 5 of the *Planning and Development (Local Planning Scheme) Regulations 2015*, forward Amendment N° 8 and Council's decision to the Western Australian Planning Commission for consideration.

## REPORT

### 1.0 INTRODUCTION

The proponent requests the Council's resolution to adopt the proposed Scheme Amendment. The proposal is for the reclassification of the subject property (Lot 95 Arthur Street, Wubin) from 'Reserve – Public Purpose' to 'Townsite' zone as depicted on the Scheme Amendment map.

### 2.0 BACKGROUND

#### Location

The property is situated on the eastern side of Arthur Street between Glowrey Street and Parker Street, Wubin. The township of Wubin is located within the Shire of Dalwallinu local government area on the Great Northern Highway.

#### Site Area

The total area of the property is 1050m<sup>2</sup>.

#### Ownership

The property is a Crown Land Reserve – R28100 (Public Purpose). The reserve is under the care, control and management of Land Management Central, Department of Planning, Lands and Heritage.

#### Current and Surrounding Land Uses

The subject property is currently zoned 'Reserve – Public Purpose'. The property was developed by the Country Womens' Association (WA) as rest rooms for women travelling by train through the nearby railway station. The property has not been utilised for such purposes since the mid 1990's.

## SCHEME AMENDMENT REPORT

Improvements on the property include a four room building constructed off-the-ground with timber framing, asbestos wall cladding and a rolled steel roof. Other appurtenant structures include an iron water tank and a derelict backyard commode. At one stage the surrounds were landscaped with lawn, edging, fencing and assorted shrubs and trees.

The adjoining property to the north is zoned 'Townsite' and is developed and occupied as a residence. Properties located to the south of the subject property are zoned either Reserve – Recreation/Church of England or Townsite. The majority of the properties zoned Townsite are developed with residential style land use dominating.

### Physical Characteristics

The property is situated on land that is relatively flat land with surface water drainage generally flowing to the south-west. This is consistent with the surrounding natural landform.

The soils are a mixture of gravel, clays and loam. The bedrock formation is generally situated within 2000mm of the surface.

There are no indigenous trees growing on the site. There is no literary evidence that conveys any suggestion that the subject area has issues relating to Rare Declared Flora or Specially Protected Fauna.

### Infrastructure

The property has access to potable water, power, telecommunications and solid waste/waste water disposal. The property has frontage to a sealed public road that provides access for transport, vehicular parking and the catchment and the redirection of storm water runoff from adjacent property.

## 3.0 LOCAL PLANNING CONTEXT

### Local Planning Strategy

The Shire's Local Planning Strategy (endorsed by the WAPC on 24 September 2013) focuses on promoting the Shire as a safe, quiet location, in a country environment with an active community. It seeks to promote, inter alia, no loss of townsite amenity, maintaining natural vegetation and utilising existing services so as not to burden the community with increased servicing costs.

The Strategy identifies as a prime objective:

*To provide for a wide range of residential services to cater for all age groups of the population within the Shire to cater for existing and future generations.*

Which is facilitated by:

*Allowing for opportunities to increase residential densities to capitalise on existing infrastructure*

# **SCHEME AMENDMENT REPORT**

## **4.0 PROPOSAL**

This amendment proposes the rezoning of Lot 95 Arthur Street, Wubin from 'Reserve – Public Purpose' to that of 'Townsite'.

The proposed rezoning should be supported as it represents the logical expansion of Townsite zoned land within the Wubin township, which in turn would allow for the maximum flexibility in land use to be realised.

The objectives for the 'Townsite' zone are;

- To maintain a rural town atmosphere and lifestyle choice.
- To provide for a degree of flexibility of uses allowed within the zone whilst maintaining an appropriate level of residential amenity.
- To allow a variety of uses necessary to service the normal functions of a rural townsite.
- To provide for a mix of residential development and a range of commercial, light industrial and other uses considered appropriate in rural towns.

## **5.0 CONCLUSION**

The rezoning of the subject properties from Reserve – Public Purpose to Townsite will provide the property to have development flexibility attuned to the Local Planning Strategy and allow for residential style land uses.

This information is to be read in conjunction with the accompanying Financial Statements and notes.

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

PROGRAM NAME AND OBJECTIVES	ACTIVITIES
<b>GOVERNANCE</b> To provide a decision making process for the efficient allocation of scarce resources.	Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific Shire services.
<b>GENERAL PURPOSE FUNDING</b> To collect revenue to allow for the provision of services.	Rates income & expenditure, Grants commission and Pensioners deferred rates interest.
<b>LAW, ORDER, PUBLIC SAFETY</b> To provide services to help ensure a safer and environmentally conscious community.	Supervision of various by-laws, fire prevention, emergency services and animal control.
<b>HEALTH</b> To provide an operational framework for environmental and community health.	Food quality, pest control, immunisation services and other health.
<b>EDUCATION AND WELFARE</b> To provide services to disadvantaged persons, the elderly, children and youth.	School support, assistance to playgroups, retirements villages and other voluntary services.
<b>HOUSING</b> To provide and maintain employee, non-employee and elderly residents housing.	Provision and maintenance of staff and rental housing.
<b>COMMUNITY AMENITIES</b> To provide services required by the community.	Rubbish collection services, operation of tips, noise control, administration of the town planning scheme, maintenance of cemeteries, maintenance of public conveniences, storm water drainage maintenance, sewerage scheme operation, litter control and roadside furniture.
<b>RECREATION AND CULTURE</b> To establish and effectively manage infrastructure and resource which will help the social well being of the community.	Provision of facilities and support for organisations concerned with leisure time activities and sport, support for performing and creative arts and preservation of the natural estate. This includes maintenance of halls, aquatic centres, recreation and community centres, parks, gardens, sports grounds and operation of libraries.
<b>TRANSPORT</b> To provide safe, effective and efficient transport services to the community.	Construction, maintenance and cleaning of streets, roads, bridges, drainage works, footpaths, parking facilities and traffic signs, cleaning and lighting of streets, depot maintenance and airstrip maintenance.
<b>ECONOMIC SERVICES</b> To help promote the Shire and its economic wellbeing.	The regulation and provision of tourism, area promotion, building control, noxious weed control, vermin control, standpipes and land subdivisions.
<b>OTHER PROPERTY AND SERVICES</b> To monitor and control the shire's overheads and operating accounts.	Private works operation, public works overheads, materials, salaries & wages, plant repairs and operation costs. With the exception of private works, the above activities listed are mainly summaries of costs that are allocated to all the works and services undertaken by Council.

**KEY INFORMATION**

▲ ▼ Indicates a variance between Year to Date (YTD) Actual and YTD Actual data as per the adopted materiality threshold.

Refer to Note 16 for an explanation of the reasons for the variance.

This statement is to be read in conjunction with the accompanying Financial Statements and Notes.

## **BASIS OF PREPARATION**

### **REPORT PURPOSE**

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996 , Regulation 34* . Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

### **BASIS OF ACCOUNTING**

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards.

Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

## **PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 09 November 2021

## **SIGNIFICANT ACCOUNTING POLICES**

### **CRITICAL ACCOUNTING ESTIMATES**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

### **THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies

### **GOODS AND SERVICES TAX**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

### **ROUNDING OFF FIGURES**

All figures shown in this statement are rounded to the nearest dollar.

(a) Non-cash items excluded from operating activities

The following non-cash revenue and expenditure has been excluded from operating activities within the Statement of Financial Activity in accordance with Financial Management Regulation 32.

#### KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for impairment of receivables is raised when there is objective evidence that they will not be collectible.

KEY INFORMATION

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Rates received in advance give rise to a financial liability. On 1 July 2020 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised. When the taxable event occurs the financial liability is extinguished and income recognised for the prepaid rates that have not been refunded.

**SIGNIFICANT ACCOUNTING POLICIES**

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

**KEY INFORMATION**

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

**KEY INFORMATION**

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the commencement date, a right of use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts classified as short-term leases (i.e. a lease with a remaining term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

#### KEY INFORMATION

##### Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

##### Employee benefits

##### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

##### Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

##### Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

### 9.3.3 Request to reduce lease fee – 7 South Street, Dalwallinu

<b>Report Date</b>	23 November 2021

#### Purpose of Report

Council is requested to consider a reduction in the weekly lease fee for 7 South Street currently occupied by Mr & Mrs J Cream.

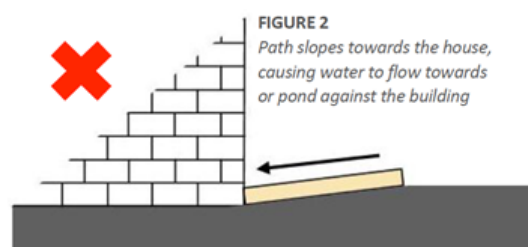

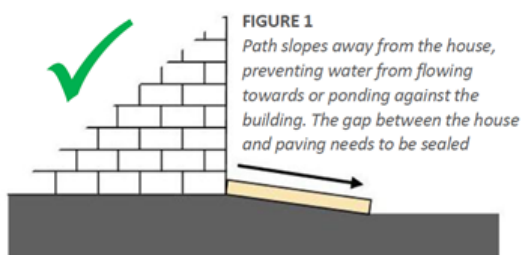

#### Background

Mr & Mrs J Cream has leased 7 South Street, Dalwallinu since 2018.

Lot 7 South Street, Dalwallinu was constructed in 2014. It is a pre-manufactured dwelling situated on piers. The concrete paving around the dwelling is sloped the wrong way (see figure 2 below). Landscaping around the building has been backfilled with reactive soils.

Issues with the building are:

- Groundwater directed to beneath building
- Groundwater intrusion under building resulting in erosion of soil leading to instability
- Groundwater intrusion resulting in conditions inside the building that could potentially lead to sick-building-syndrome symptoms experienced by occupants

#### Environmental implications

There are no known significant environmental implications associated with this proposal.

### **Officer Comment**

Works on this property have been investigated for some time now. It has been difficult to engage contractors to quote on let alone undertake the required rectification works.

The tenant has requested that the lease remain at the current rate of \$300.00 per week.

It is the Officer's opinion that as the amenity of the property is affected (as the tenants cannot use the outside entertaining area), that Council consider a reduction of the lease to \$250.00 per week until such time as the work is completed and then the lease is to be as per Council's Fees and Charges Schedule.

### **Officer Recommendation**

That Council approve the reduction of the weekly rent for 7 South Street from \$303.00 to \$250.00 per week until the rectification works are completed and then the weekly lease is to be as per Council's fees and Charges Schedule.

## **9.4 CHIEF EXECUTIVE OFFICER**

### **9.4.1 Review of Sport & Recreation Plan\***

<b>Report Date</b>	23 November 2021
<b>Applicant</b>	Shire of Dalwallinu
<b>File Ref</b>	RC/11 – Sports & Recreation
<b>Previous Meeting Reference</b>	Nil
<b>Prepared by</b>	Jean Knight, Chief Executive Officer
<b>Supervised by</b>	Jean Knight, Chief Executive Officer
<b>Disclosure of interest</b>	Nil
<b>Voting Requirements</b>	Simple Majority
<b>Attachments</b>	Implementation Plan 2022-2032

#### **Purpose of Report**

Council is requested to review the Shire of Dalwallinu Sport & recreation Plan.

#### **Background**

The first Shire of Dalwallinu Sport and Recreation Plan was endorsed by Council in December 2018.

The purpose of the plan is to provide Council with a plan for the future on expenditure relating to Sport and Recreation facilities to ensure that adequate provisions can be made in the annual budgets. The plan also ensures that projects can be planned for rather than being a last minute thought. Reviewing the plan every two (2) years will ensure that the plan remains current and up to date with the communities' desires.

#### **Consultation**

#### **Legislative Implications**

Nil

#### **Policy Implications**

Nil

#### **Financial Implications**

The expenses relating to projects identified will be included in the relevant year's draft budget for deliberation by Council. If projects have grant funding/community contributions, they will only be undertaken if funding is successful and contributions agreed to by the groups.

#### **Strategic Implications**

Nil

#### **Site Inspection**

Site inspection undertaken: Not applicable

## Triple Bottom Line Assessment

### Economic implications

There are no known significant economic implications associated with this proposal.

### Social implications

There are no known significant social implications associated with this proposal.

### Environmental implications

There are no known significant environmental implications associated with this proposal.

## Officer Comment

All community and sporting groups were contacted in July 2019 seeking any input into the review of the Sport & Recreation Plan. The closing date for submissions was 30 September 2021.

At the conclusion of the submission period three submissions were received:

1. Dally Scrappers and Creative Arts Festival – additional trestles for Recreation Centre
2. Dalwallinu Football & Hockey Club - additional lighting to the eastern side of oval
3. Pithara Speedway – 4 new lighting towers

All three of these submissions have been included in the updated Sport and Recreation Plan. Both the requests from the Dalwallinu Football and Hockey Clubs and Pithara Speedway indicate a contribution from the groups will be required for the projects to proceed.

Other amendments include:

### **2021-2022**

Removed squash court flooring upgrades of \$2,000 as not required

### **2022-2023**

Pool upgrades moved to 2026-2027 as pool does not require upgrades in 22-23

Additional trestles for Dalwallinu Recreation Centre included

Included an upgrade to the Dalwallinu Cricket Pitch

### **2023-2024**

Removed upgrades to sound system at the Dalwallinu Town Hall as not required

Additional lighting to eastern side of football oval

### **2024-2025**

Removed Aquatic Centre shade sails as these have been undertaken this financial year

Included new lighting towers at Pithara Speedway (subject to grant funding and group contribution)

### **2027-2028**

Removed Tennis nets – this is an operational expenditure

### **2031-2032**

Included the replacement of the Kalannie Bowling Greens

The Sport and Recreation Plan will be next due for review in November 2023.

**Officer Recommendation**

That Council endorse the Shire of Dalwallinu Sport and Recreation Plan 2022-2032.
