Dear Jean

Re: TROLLEY BAY APPLICATION – 47 JOHNSTON STREET, DALWALLINU WA 6609

As you are aware, we are limited for space inside the Store for our shopping trolleys and we would like to seek planning approval from Council to install a trolley bay at the front of our Store as per the plan attached.

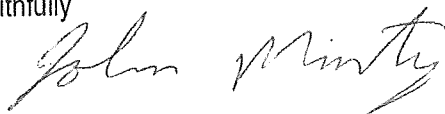

We believe this position is an ideal location for the convenience and ease of our Customers.

I am more than willing to have a temporary one in place as discussed with you to ensure that it does not cause any inconvenience to the general public along with our Customers before erecting a permanent fixture.

The alternative option of Myers Street that Doug Burke, Manager Regulation & Development Services suggested is not ideal as I believe the trolleys need to be located close to the front entrance of the Store for easy access for Customers.

If you have any queries or wish to discuss further, please do not hesitate to contact me on my mobile 0427 512 017.

Yours faithfully
