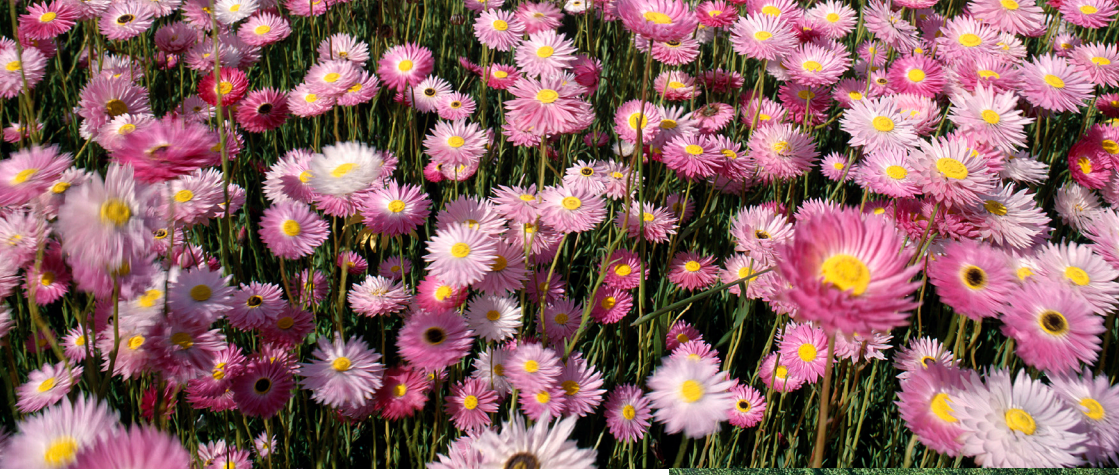
Business

The Shire of Dalwallinu has a long heritage of sheep and wheat farming, with established and strong agricultural industries.

For a range of businesses, Dalwallinu is ideally located along the Great Northern Highway, which links the capital of Perth with WA's northern-most port at Wyndham.

Being only 2 ½ hours away from Perth, Dalwallinu is close enough to be able to access Perth, but far enough away to capitalise on affordable land, rents and overheads.

From retail and tourism, to mining, manufacturing and agricultural support industries, Dalwallinu provides all essential services for our community and far beyond to customers across Australia.

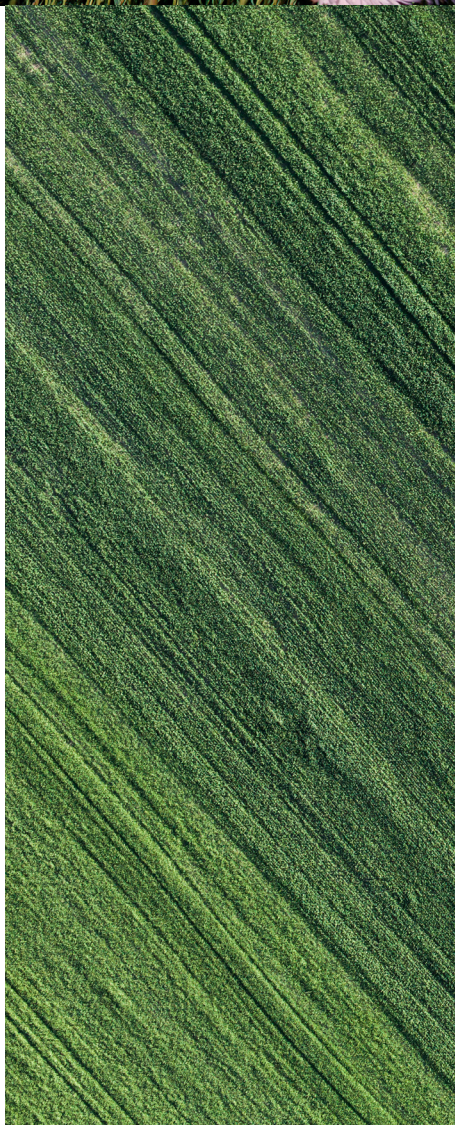


Tourism

Wildflowers abound in our Shire making Dalwallinu popular with tourists travelling the Wildflower Way, a world-famous tourist route. Each July to October thousands of wildflower enthusiasts and nature lovers make the journey to enjoy the rare and beautiful sight of flowers carpeting the landscape.

The Shire is also renowned for its magnificent Wattle trees which can be seen vibrantly brightening the country side, and each September the Shire holds its famous Wattle Week festival to capitalise on this unique experience.

Being centrally located on the Great Northern Highway makes the town of Dalwallinu a perfect place to stay for travellers heading south or north.



“We are an inclusive and diverse community. Dallwallinu has a range of religious organisations and a significant population of overseas born residents due to the very successful Regional Repopulation Project”
